

# safely to and back from school

6 tips from Ambear!

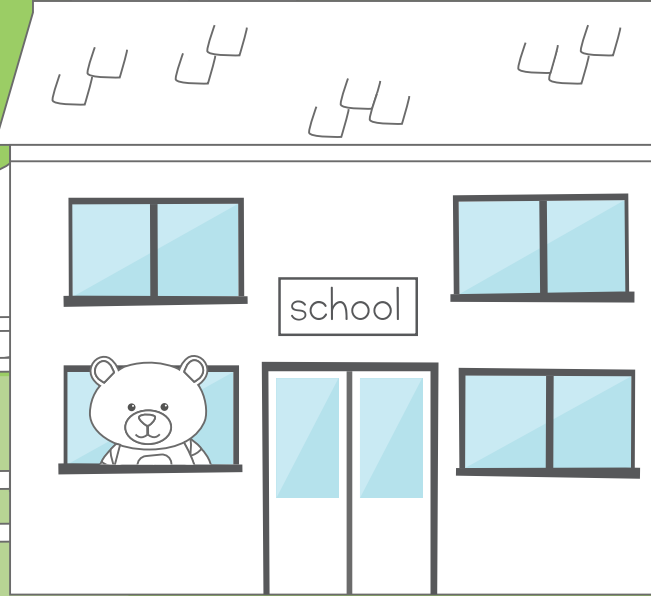

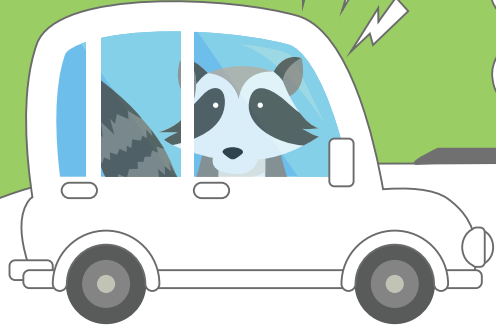

Going to school safely is very important. Follow the safe route from home to school and back together with Ambear. Colour Ambear along the way.

Go straight to school, do not stray from your regular route

Always go to school together with a friend, never alone

Does a stranger want to talk to you? Go to your teacher straight away

Do not leave school with someone who was not supposed to pick you up, even if you know the person

Never leave the schoolyard without permission

Do you want to go play with a friend after school? Ask your parents first
